PROFESSIONAL+ FX/FXP

Highly energy efficient. Highly versatile. The revolutionary new Professional+ FX bears all the innovative Rangemaster qualities. At the heart of this range cooker's unique construction is the Energy Saving Panel (ESP). This removable panel allows you to switch from a full-size 1 litre oven that's great for entertaining en-masse, to a more modest 49 litre oven that uses less energy when cooking smaller dishes. When the panel is in place the spare cavity acts as a handy plate warming facility, using residual heat from the adjacent oven. The panel and shelves can be stored in the full-width drawer below when not in use.

- 5.1.1 all goods supplied by us remain our property;
- 5.1.2 you must store them so that they are clearly identifiable as our property;
- 5.1.3 you must insure them (against the risks for which a prudent owner would insure them) and hold the policy on trust for us;
- 5.1.4 you may use those goods and sell them in the ordinary course of your business, but not if:
- a. we revoke that right (by informing you in writing); or
- b. you become insolvent.
- 5.2 You must inform us (in writing) immediately if you become insolvent.
- 5.3 If your right to use and sell the goods ends you must allow us to remove the goods.
- 5.4 We have your permission to enter any premises where the goods may be stored:

- 6.1.2 are free from material defect at the time of delivery (as long as you comply with clause 6.3).
- 6.2 We give no other warranty (and exclude any warranty, term or condition that would otherwise be implied) as to the quality of the goods or their fitness for any purpose. If you believe that we have delivered goods that are defective in materials or workmanship, you must:
- 6.3.1 inform us (in writing) with full details, as soon as possible; and
- 6.3.2 allow us to investigate (we may need access to your premises and product samples).
- 6.4 If the goods are found to be defective in material or workmanship (following our investigations) and you have complied with those conditions (in clause 6.3) in full, we will (at our option) replace the goods or refund the price. We are not liable for any other loss or damage arising from the contract or the supply of goods or their use, even if we are negligent, including (as examples only); direct financial loss, loss of profits or loss of use; and indirect or consequential loss.
- 6.5 Our total liability to you (from one single cause) for damage to property caused by our negligence is limited to £1,000,000.

- 7.1 If we prepare the goods in accordance with your specifications or instructions you must ensure that the specifications or instructions are accurate; the goods prepared in accordance with those specifications or instructions will be fit for the purpose for which you intend to use them; and your specifications or instructions will not result in the infringement of any intellectual property rights of a third party, or in the breach of any applicable law or regulation.
- 7.2 We reserve the right;
- 7.2.1 to make any changes in the specifications of our goods that are necessary to ensure they conform to any applicable safety or statutory requirements; and

- 8.1.1 if we agree (in writing) you can return them;

- 8.1.2 on payment of an agreed handling charge of up to 40% of the total value of the goods (unless the goods were defective when delivered); and
- 8.1.3 where the goods are as fit for sale on their return as they were on delivery.

9. Cancellation

- 9.1 You may not cancel the order unless we agree in writing (and clauses 2.2.2 and 9.2 then apply).
- 9.2 If the order is cancelled (for any reason) you are then to pay us for all stock (finished or unfinished) that we may then hold (or to which we are committed) for the order
