STEAMING HOT WATER...IN STYLE

OUR COLLECTION IS BASED ON A
NUMBER OF KEY PRINCIPLES;

Tap designs that sit seamlessly with your kitchen specification

Abode are specialists when it comes to tap design so our products aren't only functional, they look the part too.

Plus there are 7 finishes across our offer to choose from.

Outstanding service

With a dedicated in-house team of Pronteau specialists at Abode and an engineer fleet out on the road, your customers have complete peace of mind when buying Pronteau.

Finishing touches

Space can be of a premium in kitchens, that's why our all new PROBOIL.2X boiler is so compact you'll barely notice it.

Plus, a FREE filter recycle scheme and filter reminder service.

PROBOIL.4E

The PROBOIL.4E has been designed exclusively for the Pronteau 4 IN 1 HotKey® collection. This boiler is packed with features including; our biggest boiler capacity yet at 4L, compact size (fits inside a Belfast or Butler sink base cabinet), filter life indicator display, colour coded push fit connectors and an intuitive digital display with temperature control.

All HotKey® systems are supplied with our premium water optimisation filter to give you the best protection, flexibility and increased capacity. Offering a capacity of 1500L and a bypass function allowing you to set the filter to match the hardness of your water to ensure optimum performance and longevity. This filter offers supreme water filtration and scale control and is part of the free of charge Abode filter recycle scheme.

LEAD \ CREATE \ INNOVATE \ DESIGN

The latest innovations in kitchen furniture design deserve to be matched with the perfect pairing when it comes to those all-important finishing touches. Taps are one of those central elements that can become the showstopping piece in a kitchen.

Designed to challenge traditional concepts and make the ultimate statement, with distinctive

features, the Hex range will coordinate effortlessly with any kitchen featuring industrial style elements and also add interest and edge to a kitchen design featuring traditional elements.

SWICH AQUIFER

This revolutionary product will transform your kitchen tap, new or old, into a filtered water tap delivering a constant supply of crystal clear filtered water.

The Switch device is easy to install and use and works in conjunction with your normal mixer tap. Simply turn the handle control to indicate the type of water supply that you wish to channel through the tap – giving you immediate access to both the domestic supply and then to water via the Abode Switch filter cartridge, delivering clear refreshing results.

**IGNEOUS SINKS**

Constructed from a patented
formula of 80% quartz –
the toughest element of
granite – and high-grade
acrylic, our igneous sink
collection is literally rock
solid. Impervious to knocks
and scratches, it's UV stable
for a fade-free finish and has
high-intensity colour running
through its very core.

Available in a choice of 3 colours:

K₂H₂O WATER FILTER KIT

- Removes chlorine
- Reduces lime scale
- Improves odour
- Improves taste
- Stops 10 micron bead
- Removes organic matter
- Removes heavy metals

The Tap Factory's K2H2O water filter will convert any cold tap simply and easily into clean, healthy, and delicious filtered drinking water on demand.

Sits neatly inside any cupboard and attaches to the cold water feed. A simple 4 step installation process with fittings provided. Bathroom or kitchen YOU CHOOSE!

WHY DEAL WITH DEGREES

Order from your SteamPro oven with Command Wheel the way you would at a restaurant. Select rare, medium or well done to enjoy perfect results at home without ever dealing with degrees. Why compromise on an oven that doesn't live up to your standards.

A photograph of a modern kitchen featuring a NEFF undercounter wine cooler. The cooler is integrated into dark cabinetry and has a glass door revealing several wine bottles. The kitchen counter is made of grey stone and holds various items like lemons, a bowl of fruit, and a striped cake stand. A window with a grid pattern is visible in the background.

Inspiring fluid creativity

Model shown NEFF
KU9202HF0G 30cm
Undercounter Wine Cooler

AN EYE-CATCHING WINE COOLER TO MAINTAIN THE OPTIMUM TEMPERATURE FOR YOUR MOST BELOVED WINES.

Sleek, smart and perfect for entertaining, the new NEFF wine cabinet is designed to integrate beautifully into your kitchen. With a 30cm wide 21-bottle option, and 60cm wide 44-bottle dual climate zone option, it keeps reds, white or sparkling wines at the ideal temperature. Plus, with a frameless glass door and elegant control panel, it adds even more style to any kitchen design.

The *quintessential* ingredient to the perfect kitchen

As Britain's best-loved range cooker brand, Rangemaster is synonymous with Style and Performance. With a unique heritage that began in Royal Leamington Spa in 1830, where our 90, 100 and 110 range cookers are still made today, we are proud to still be a part of the UK's tradition for making everyday family meals memorable. Our appliances can help your kitchen become the hub of the home - essential ingredients for modern, multifunctional living.

 **MADE IN
BRITAIN**

CLASSIC 110/100/90

CLASSIC

With bevelled doors, elegant windows and towel rail, the Classic offers everything you'd expect from a traditional range cooker. The Classic is a classic in every sense. As well as its spacious, fully programmable oven, you'll find a separate grill and high-powered wok burner. The Classic also comes complete with a host of other Rangemaster extras, including non-stick half-smooth, half-ribbed griddle (Gas hob top versions) and innovative Handyrack.

CLASSIC DELUXE 110/100/90

CLASSIC DELUXE

Staying true to the Classic's styling, the Deluxe range delivers a host of innovative, up-to-theminute features. Imbued with ultra-chic styling that makes this collection a firm favourite among those with more classical tastes, this range can cater for three different size preferences, being at home in any kitchen.

ELAN DELUXE 110/90

ELAN DELUXE

The Elan epitomises the traditional Rangemaster range cooker, combining distinctive looks with outstanding flexibility.

Spiral handles, lovingly crafted control knobs and generous curvaceous doors are just some of the finer details that set the Elan apart. And with its classic looks also comes great practicality. A triplering wok burner (110 version features two) sits proud upon its singlepiece hotplate, with four additional burners, gives a good mix of burner power together with the space to use them.

RANGEmaster

KITCHENER 110 / 100 / 90

KITCHENER

First launched in 1830, the Kitchener set the standard for range cooking. It does today, too.

Designed and built by William Flavel, the son of our company's founding family, the Kitchener proved an instant success and graced the kitchens of royalty throughout the world. Today's Kitchener is still highly sought after. Available in three widths, with a separate grill compartment and two oven cavities, there is plenty of room to cook for all the family.

PROFESSIONAL+ 110 / 100 / 90

PROFESSIONAL+

When a cooker is named the Professional, you can expect nothing less than professional results.

If you're a serious cook, you need a serious cooker. With a wealth of features, including two spacious ovens and a separate grill compartment with our renowned glide-out grill system, the Professional+ range cookers offer the sleek modern lines of its contemporaries with a few extra treats thrown in. Available in a variety of options and beautiful finishes, it not only performs but it will look the part too.

PROFESSIONAL DELUXE 110 / 100 / 90

PROFESSIONAL DELUXE

Enjoy contemporary styling with added luxury – the new Deluxe addition to our popular Professional+ collection takes cooking to new levels. This seriously sleek range cooker delivers on both style and performance. Taking the very best from our Professional+ collection, then adding an extra touch of 'luxe', this latest model is packed with high-performance features. Busy cooks will especially appreciate our innovative Rapid Response function, which harnesses extra heat to ensure you're oven-ready up to 30% faster. The crowning glory of the 110 model is surely its truly impressive Multizone hob packing a powerful ceramic zone with a heavy duty griddle plate, plus five gas burners.

PROFESSIONAL+ FX/FXP

PROFESSIONAL+ FX/FXP

Highly energy efficient. Highly versatile. The revolutionary new Professional+ FX bears all the innovative Rangemaster qualities. At the heart of this range cooker's unique construction is the Energy Saving Panel (ESP). This removable panel allows you to switch from a full-size 1 litre oven that's great for entertaining en-masse, to a more modest 49 litre oven that uses less energy when cooking smaller dishes. When the panel is in place the spare cavity acts as a handy plate warming facility, using residual heat from the adjacent oven. The panel and shelves can be stored in the full-width drawer below when not in use.

ELISE 110/100/90

ELISE

The ultimate range for cooking up delicious cuisine, the quintessential Elise is inspired by generations of gourmet excellence.

Awaken your inner gastronome with the Elise range cooker, which is inspired by the passion and panache that ensures European chefs are revered worldwide.

One glance at this chic range cooker is all it takes to identify its distinctly continental design direction. From the stylish controls, to the coordinating soft-brushed aluminium trim that lends front profile definition, a continental flair for sophisticated design is evident throughout.

BRIGHT RANGE.

Welcome to Zanussi Bright

Packed with tried and tested tech, the new appliance range from Zanussi is the perfect example of quality innovation combined with seamless design.

Zanussi self-cleaning ovens burn away dirt and grease, leaving just a fine ash that can simply be wiped away.

This, together with our fantastic consumer reviews, makes it **even easier to choose Zanussi.**

NOTES

A large rectangular area containing horizontal dotted lines for writing notes.

**KTS Ltd - Terms of Trading****1. Price**

- 1.1 The price quoted excludes VAT. VAT will be charged at the rate applying at the time of delivery.
- 1.2 Our quotations lapse after 30 days (unless otherwise stated).
- 1.3 The price quoted excludes delivery (unless otherwise stated).
- 1.4 Unless otherwise stated, the price quoted is an illustrative estimate only and the price charged will be our price current at the time of delivery.
- 1.5 Rates of tax and duties on the goods will be those applying at the time of delivery.
- 1.6 At any time before delivery we may adjust the price to reflect any increase in our costs of supplying the goods.

2. Delivery

- 2.1 ALL delivery times quoted are estimates only.
- 2.2 We may deliver the goods in instalments. Each instalment is treated as a separate contract.
- 2.3 We may decline to deliver if:
- 2.3.1 We believe that it would be unsafe, unlawful or unreasonably difficult to do so; or the premises or the access to them are unsuitable for our vehicle.
- 2.4 If we attempt to make delivery to your instructions but are unable to, we reserve the right to charge redelivery at cost.

3. Risk

- 3.1 The goods are at your risk from the time of delivery.
- 3.2 Delivery takes place either:
- 3.2.1 At our premises if you are collecting them; or
- 3.2.2 at your premises or address specified by you.
- 3.3 You must inspect the goods on delivery. If any goods are damaged or not delivered, you must write to tell us within forty-eight hours of delivery. You must give us a fair chance to inspect the damaged goods.
- 3.4 If goods are delivered by a carrier you must not accept the goods or sign any delivery notes until you have inspected the goods. We will not be liable for goods damaged in transit in absence of inspection by you.

4. Payment Terms

- 4.1 You are to pay us in cash or in cleared funds either prior to or upon delivery, unless you have an approved credit account. Any cheques accepted, which are returned unpaid by the Bank will incur a £25.00 administration charge.
- 4.2 If you have an approved credit account, payment is due no later than 30 days after the end of the month of our invoice unless otherwise agreed in writing.
- 4.3 If you fail to pay us in full on the due date we may,
- 4.3.1 Suspend or cancel future deliveries;
- 4.3.2 Cancel any discount offered to you; charge you interest at the rate set under s.6 of the Late Payment of Commercial Debts (Interest) Act 1998;
- a. calculated (on a daily basis) from the date of our invoice until payment;
- b. before and after any judgment (unless a court orders otherwise);
- 4.3.3 claim fixed sum compensation from you under s.5A of that Act to cover our credit control overhead costs; and
- 4.3.4 recover (under clause 4.7) the cost of taking legal action to make you pay.
- 4.4 If you have an approved credit account, we may withdraw it or reduce your credit limit or bring forward your due date for payment. We may do any of these at any time without notice.
- 4.5 You do not have the right to set off any money you may claim from us against anything you may owe us.
- 4.6 While you owe money to us, we have a Lien on any of your property in our possession.
- 4.7 You are to indemnify us in full and hold us harmless from all expenses and liabilities we may incur (directly or indirectly including financing costs, including legal costs on a full indemnity basis and the costs of instructing a debt collection agency to recover a debt due to us if any) following any breach by you of any of your obligations under these terms.

5. Title

- Until you pay all debts you may owe us,
- 5.1.1 all goods supplied by us remain our property;
- 5.1.2 you must store them so that they are clearly identifiable as our property;
- 5.1.3 you must insure them (against the risks for which a prudent owner would insure them) and hold the policy on trust for us;
- 5.1.4 you may use those goods and sell them in the ordinary course of your business, but not if:
- a. we revoke that right (by informing you in writing); or
- b. you become insolvent.
- 5.2 You must inform us (in writing) immediately if you become insolvent.
- 5.3 If your right to use and sell the goods ends you must allow us to remove the goods.
- 5.4 We have your permission to enter any premises where the goods may be stored:
- 5.4.1 at any time, to inspect them; and
- 5.4.2 after your right to use and sell them has ended, to remove them, using reasonable force if necessary.
- 5.5 Despite our retention of title to the goods, we have the right to take legal proceedings to recover the price of goods supplied should you not pay us by the due date.
- 5.6 You are not our agent. You have no authority to make any contract on our behalf or in our name.

6. Warranties

- 6.1 We warrant that the goods:
- 6.1.1 comply with their description on our order confirmation form; and
- 6.1.2 are free from material defect at the time of delivery (as long as you comply with clause 6.3).
- 6.2 We give no other warranty (and exclude any warranty, term or condition that would otherwise be implied) as to the quality of the goods or their fitness for any purpose. If you believe that we have delivered goods that are defective in materials or workmanship, you must:
- 6.3.1 inform us (in writing) with full details, as soon as possible; and
- 6.3.2 allow us to investigate (we may need access to your premises and product samples).
- 6.4 If the goods are found to be defective in material or workmanship (following our investigations) and you have complied with those conditions (in clause 6.3) in full, we will (at our option) replace the goods or refund the price. We are not liable for any other loss or damage arising from the contract or the supply of goods or their use, even if we are negligent, including (as examples only); direct financial loss, loss of profits or loss of use; and indirect or consequential loss.
- 6.5 Our total liability to you (from one single cause) for damage to property caused by our negligence is limited to £1,000,000.
- 6.6 For all other liabilities not referred to elsewhere in these terms our liability is limited in damages to the price of the goods.
- 6.7 Nothing in these terms restricts or limits our liability for death or personal injury resulting from negligence.
- 6.8 Nothing in these terms affects or limits our liability for fraudulent misrepresentation.

7. Specification

- 7.1 If we prepare the goods in accordance with your specifications or instructions you must ensure that the specifications or instructions are accurate; the goods prepared in accordance with those specifications or instructions will be fit for the purpose for which you intend to use them; and your specifications or instructions will not result in the infringement of any intellectual property rights of a third party, or in the breach of any applicable law or regulation.
- 7.2 We reserve the right;
- 7.2.1 to make any changes in the specifications of our goods that are necessary to ensure they conform to any applicable safety or statutory requirements; and
- 7.2.2 to make without notice any minor modifications in our specifications we think necessary or desirable.

8. Return of goods

- We will accept the return of goods from you only:
- 8.1.1 if we agree (in writing) you can return them;

- 8.1.2 on payment of an agreed handling charge of up to 40% of the total value of the goods (unless the goods were defective when delivered); and
- 8.1.3 where the goods are as fit for sale on their return as they were on delivery.

9. Cancellation

- 9.1 You may not cancel the order unless we agree in writing (and clauses 2.2.2 and 9.2 then apply).
- 9.2 If the order is cancelled (for any reason) you are then to pay us for all stock (finished or unfinished) that we may then hold (or to which we are committed) for the order
- 9.3 We may suspend or cancel the order, by written notice if:-
- 9.3.1 you fail to pay us any money when due (under the order or otherwise)
- 9.3.2 You become insolvent;
- 9.3.3 You fail to honour your obligations under these terms

10. Waiver and Variations

- 10.1 Any waiver or variation of these terms is binding in honour only unless:-
- 10.1.1 made (or recorded) in writing
- 10.1.2 signed on behalf of each party; and
- 10.1.3 expressly stating an intention to vary these terms

11. Force majeure

- 11.1 If we are unable to perform our obligations to you (or able to perform them only at unreasonable cost) because of circumstances beyond our control, we may cancel or suspend any of our obligations to you, without liability
- 11.2 Examples of these circumstances include act of God, accident, explosion, war, terrorism, fire, flood, transport delays, strikes and other industrial disputes and difficulty in obtaining supplies.

12. General

- 12.1 Scottish law is applicable to any contract made under these terms. The courts of Scotland and in particular the Commercial Courts at Glasgow and Aberdeen Sheriff Courts have nonexclusive jurisdiction.
- 12.2 If you are more than one person, each of you has joint and several obligations under these terms.
- 12.3 If any of these terms are unenforceable as drafted:
- 12.3.1 it will not affect the enforceability of any other of these terms; and
- 12.3.2 if it would be enforceable if amended, it will be treated as so amended.
- 12.4 We may treat you as insolvent if:
- 12.4.1 you are unable to pay your debts as they fall due; or
- 12.4.2 you (or any item of your property) become the subject of:
- a. any formal insolvency procedure (examples of which include receivership, liquidation, administration, voluntary arrangements (including a moratorium) or bankruptcy);
- b. any application or proposal for any formal insolvency procedure; or
- c. any application, procedure or proposal overseas with similar effect or purpose.
- 12.5 All brochures, catalogues and other promotional materials are to be treated as illustrative only. Their contents form no part of any contract between us and you should not rely on them in entering into any contract with us.
- 12.6 Any notice by either of us which is to be served under these terms may be served by leaving it at or by delivering it to (by first class post or by fax) the others registered office or principal
- 12.7 No contract will create any right enforceable (by virtue of the Contracts (Rights of Third Parties) Act 1999) by any person not identified as the buyer or seller.
- 12.8 The only statements upon which you may rely in making the contract with us, are those
- 12.8.1 contained in our estimate (or any covering letter) and not withdrawn before the contract is made; or
- 12.8.2 which expressly state that you may rely on them when entering into the contract.
